Euthanasia is a controversial issue among different western countries and Islamic countries and focus on the legal, religious, and social perspectives regarding this controversial issue. This argument essay is attempted to decrease and limit the argument among health care professionals.

Running Head: DEATH WITH DIGNITY?

Another argument in favor of euthanasia's morality revolves around the idea that it is a matter of virtue—mercy or compassion—to assist or at least allow a person who is terminally ill to end their life. To be sure, this argument can be combined with the former argument; there is no mutual exclusivity between the two.

The Arguments for Euthanasia and Physician-Assisted...

In this paper, I am going to analyze and critique the arguments in favor of euthanasia and physician-assisted suicide in order to make an ethical judgment in the question of whether there exists a right to commit suicide or to request euthanasia for terminally ill patients 252 Linacre Quarterly.

Pros and Cons of Euthanasia

Euthanasia came into public eye recently during the Terri Schiavo controversy where her husband appealed for euthanasia while Terri's family claimed differently. This is a classical case shedding light on the pros and cons of mercy killing. Mercy killing, or euthanasia, is a matter of virtue—mercy or compassion—to assist or at least allow a person who is terminally ill to end their life. To be sure, this argument can be combined with the former argument; there is no mutual exclusivity between the two.

Active and Passive Euthanasia

Active and Passive Euthanasia James Rachels

Active and Passive Euthanasia James Rachels Abstract: The traditional distinction between active and passive euthanasia requires critical analysis. The conventional doctrine is that there is such an important moral difference between the two that, although the latter is not...
